---

The above designs are all examples of designs we have generated for ease during the design process.

If you wish to design your own, please send it to us with your proposed design and we can approve it before production.

This way there are no unexpected issues that arise.

# Horizontal Stripe Designs

Below are just some of the designs we can make for Rugby Jerseys. We can do most designs with maximum 4 colours. These garments usually have decoration (e.g. logos, name and year. As shown in the following pages).

**Template to fill in is at the end of this document.**

---

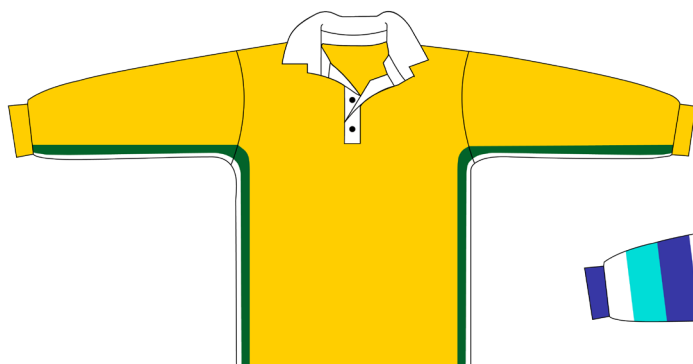

# Vertical Stripe Designs

Below are just some of the designs we can make for Rugby Jerseys. We can do most designs with maximum 4 colours. These garments usually have decoration (e.g. logos, name and year. As shown in the following pages).

**Template to fill in is at the end of this document.**
